

2012 FSM Core, Advanced and Workshops

Attend the **2012 Core, Advanced Seminars and Workshops** and gain valuable skills and knowledge presented by the outstanding FSM Advanced Faculty.

Here are six reasons to sign up today:

1. New topics including brain and spinal cord injuries, TMJ, Lyme disease, thoracic spine dysfunction, pelvic pain, FSM as an adjunct in the treatment of cancer and much more!
2. Network with other FSM practitioners
3. Ask an interdisciplinary panel how they have successfully integrated FSM into their clinics.
4. Win an Auto Care Plus at the Friday night Research Foundation Reception. Prizes (Home Cares!) for The Best Neurologic's Dance, Chicken Costume or Dermatome Map Costume!
5. See our newest products - the Precision Care and Pain Care
6. Celebrate with us as we say "Happy Retirement" to George Douglas and the Blue Box at the Saturday night reception.

Call today to register for this event at 360-695-7500 or 877-695-7500.

The 2012 Advanced will be our biggest and best event ever. Don't miss this exciting opportunity to improve your FSM skills with hands on workshops and expert speakers.
